

Communication model by Dr. Dieter Bischof

System laws developed further by Dr. Dieter Bischof

1. **Belonging (no exclusion)**
2. **Acknowledgement, esteem, respect**
3. **Balance of give and take**
4. **The first has priority over the next (first before later)**
5. **Higher responsibility / bigger effort has priority**
6. **Higher competence / more knowledge has priority**
7. **New system has priority over old system**
8. **Total system has priority over single person or subsystem**

9. **Express and acknowledge what is taking place**
10. **Compensation**

1. when intending to reverse the order (4 – 6)
 2. to heal an injury of system laws
